## INFORMATION ON THE COMING SECTIONAL TOURNEY

Information concerning the annual sectional tournament would be worth knowing. All arrangements for the tourney are made in the office of the Indiana High School Athletic Association. The dates of the tourney place to be played, admission prices and many other details are taken care of well in advance of the tourney. It is the responsibility of the principal to send to the IHSAA a list of twelve boys between January 30th and Feb. 8th. Information includes names, dates of birth, grades, how many semesters, they have been in high school and number of quarters played in each game to date. The coach can then play any ten of the twelve boys certified. From these lists the drawings are made for the sectional tournaments. Please remember - the host schools (Churubusco and Hamilton) have nothing to do with selection of officials. The officials are selected by the IHSAA, and each school, when entering the tourney, agrees to abide by their decisions. Another very important point for those of you who will be attending - the IHSAA allows no noise makers (cow bells, horns, etc.), confetti, shakers on sticks, and banners with objectionable printing. Violators will be dismissed from the gym.

For our local sectional, six teams

will play at Hamilton on Wednesday Thursday nights; six will play at Churubusco on Wednesday and Thursday nights and the four winners will play at Churubusco on Saturday afternoon and night. The dates are 22-23-24.

What is my opinion of Auburn's chances in the sectional? We might at the fact we have won only five games and have lost to one team in our sectional. After we look at that fact then let's forget it, because season records go down the drain at sectional time and we start over. We have lost some close decisions to tough competition. So my conclusion would be this - we can win the sectional if we think we can and if we want to badly enough. It will take the desire, determination and spirit of not only the boys on the floor, but of all of us in the bleachers. Why don't you mention to the boys on the squad between now and tourney time that you expect them to win, and above all you believe they will win. If we accept the feeling that we will probably get beat, then the chances are good that we will. Let's reverse that idea and say we will undoubtedly win. I very honestly feel that we will play in the regional on March 4th.

Principal

## AS I SEE IT

It's sectional time again and as usual the "Hoosier Hysteria" has hit everyone. But this year we have a reason to get excited about the sectional--for this year we've got both the school's backing and the team's. Therefore, there's no reason why we can't win the sectional.

I want to thank the Devils' Journal staff for making this special sectional issue a success. Everyone had to work a little harder and faster, but I'm sure they'll agree it will be worth it. Special thanks to Mike Wagner, Marcy Tucker, and Karen McComas, for coming to school on Saturday and completing the art work. Also thanks to Linda Cutter for seeing that the newspaper was typed even though she had very few typists. Also, I cannot forget Mark Shaw, Devils' Journals Sports Editor, who wrote a lot of the sports stories and statistics. If you will look on the very last page, you will see an advertisement for our newspaper. This is a new added attraction for the paper.

Since the sectional is here it means that Blackout is soon on its way. This evident for everyone is frantically preparing their acts to make the "Blackout of 1961" the best ever. We can do it too! EDITOR

## A.H.S. TO HAVE STUDENT TEACHER

Miss Patricia Piatek, an Indiana University senior from Waterloo, Indiana, will be student teaching in Auburn High School beginning March 27. She will teach two speech classes and two sections (periods four and five) of English XII.

Miss Piatek will visit Auburn High School February 23 and 24 to become acquainted with her classes and the school.

Mr. Robert Love, English and French teacher, and Mr. Earl Notestine, speech teacher, will serve as Miss Piatek's supervising teachers.

Practice teaching is one of the major requirements of those who train to become teachers. Miss Piatek will have completed all of her college courses except student teaching when she arrives in March. She will stay until the end of May.

Miss Piatek is a cousin of Ann Pasmann.

## CAROLYN DILLEY BACK TO SCHOOL

Carolyn Dilley, freshman, who has attended most of her classes by telephone for the past four months, returned to full-time attendance last Wednesday, February 15.

Carolyn, who injured her knee in a fall, has been attending some classes for the past month, and she is happy to be strolling once again the crowded halls of A.H.S.

## F.H.A. NEWS

The Auburn Chapter of F.H.A. held their monthly meeting at 8:00 P.M. in room 2, on February 9, 1961.

The meeting was called to order by the president, Kathy Beuret. A treasurer's report was given by Jeannette Alwood. The minutes were read.

Plans for the district meeting, to be held in New Castle, Indiana, on March 18, 1961, were discussed. Those members who wished to attend this signed up for it.

Refreshments were served after the meeting was adjourned.

## SECTIONAL — TOMMORROW

The 1960-61 version of the Indiana High School Basketball Tournament opens tonight across the state. Fans will be cramming into gymnasiums all across Indiana tonight in hopes that their team will come out as winners of the Sectional. When all of the Sectionals are over there will be but 64 teams left in quest of the state title.

Here in Northeastern Indiana, there will be one of the closest sectionals around Indiana. There is no clear cut favorite around this time and the winner could be anyone. Garrett, Angola, Auburn, Churubusco, Fremont, Hamilton, etc. could come out of the tourney as champs. Let us run through each of these powers and let you pick one. Garrett, with one of the best records around, is a definite contender. With Mike Kock leading the way the Railroaders have lost only four games and these have been to tough teams. Angola has had its ups-and-downs this year but had one of the best players in the area in Jack Berlein. If Berlein, who was second in scoring in the N. E. I. C., can keep going in the Sectionals, Angola should be a contender for the title. Auburn has been improving in recent games and could be a darkhorse. Led by Bob Martin, the Devils have beaten such good teams as Churubusco, Angola and Huntington and have come real close to beating Concordia, Hartford City, and Decatur.

Churubusco also could be a threat. Led by Steve Thomm, who is averaging around 14 points a game, the Eagles could be tough to beat.

Hamilton and Fremont, who until the other night had been beaten only by each other, could also take the crown. Hamilton, if it got a break in the draw, could play on their home floor which would certainly help. Fremont, led by Don Ansborough, has only lost twice and both were to Hamilton.

So, as you can see, any of these teams could go home as sectional champs. The complete story on all of the teams will appear elsewhere.

## COACH SPEAKS !!!!!

Since our boys have shown the hustle and desire that is seen in all good teams, they have built themselves into sectional contenders. These boys deserve plenty of credit.

On the other hand, I certainly don't want to minimize the part that the student body has played. The following and the encouragement that you students have given has helped tremendously.

We have a rough row to hoe in the sectional, but we knew that we would have. The winning team will be the one that can best become mentally ready for each game. That is our job as players, coaches, and fans. We must condition our minds to winning and our constitutions to determination and fight!

## SHAW'S SHORTS

I wanted to go along with this idea about having a paper on the Sectional, therefore, I thought I'd put in some things that the people don't know about the team. You know things that only some of the players know. Did you know that after each away game Moose and Marty always have a food race to see who can eat the most? That in the back seat of the bus Marty and Moose join King and tell jokes all the way home? Paul Carper never hardly says a word anytime and that Dave Long is the hardest working and has the most spirit. There is quite a difference between the tallest and shortest people. Lumm is 5' 5" and Showalter is 6' 6". Marty and Shafer are top scorers, Moose has the most rebounds, and Bruce the most assists. Well, I didn't know what to say this issue but I hope you are interested in what I have said.

Now lets go win the Sectional!  
O.K.

See You  
Mark Shaw  
Sports Editor

HAMILTON AND CHURUBUSCO GYMS

Have you been wondering how Hamilton and Churubusco rate to have their gyms used as sites for the sectional. The sectional sites are not just given to the school which has the best connections and the most political prestige. The sectional principals of the schools involved in a particular sectional make recommendations for the sites to the IHSAA Board of Directors in Indianapolis who then make the final selection. If a school in a sectional area builds a new gym, they are sometimes honored by having the sectional at their gym in the first year after its completion.

The Churubusco gym was completed about four or five years ago and has been used as one of our sectional sites ever since. One reason for the Busco gym's continual use is that it has about the largest seating capacity - about 2,550, tickets were sold last year - of any of the participating schools.

The Hamilton gym was completed and used for the first time in the fall of 1960. Since it is a new gym and Hamilton has not hosted the tourney, it was honored with the tourney site this year, even though its seating capacity is only approximately 1850. The combined capacity of the Hamilton and Busco gyms gives us a total sectional tourney seating capacity of 4400 lucky spectators.

Norman Taylor is the principal at Hamilton, while Jason Smith is the principal of the Churubusco High School. The latter is also in charge of the 1960 Sectional Tourney centers.

You may look on the bracket page for the pairings of teams, the game times, and the locations. There are two interesting facts to note about these brackets. The first is that the upper bracket teams are to wear the light-colored uniforms. Another interesting fact is that the first four

THE CHEERLEADERS SPEAK

Sectional time is just around the corner, and excitement is in the air. Everyone is thinking of the fun connected with sectional time and especially the fun of going to other schools to play the all important games. To us there is a special kind of fun in meeting kids from other schools in the spirit of a basketball game. But we must remember that at the tourney we are representing our school, and the things that we do at these games reflect on everyone in our school. We should have the most fun we can without harming others personal property.

We feel that with the great team we have we can win the sectional. But our team does need backing from the students of Auburn High School. We, students, must do the best we can to make our team feel that they can win. If the students of A.H.S. don't have the will to win, how can our team? Let's all go to the sectional games, yell for the Devils, have the the best school spirit, and bring home a sectional victory!!! We have done it before, and we can do it this year, we can prove that our Devils are the best.

Let's bring home the title of "Sectional Champs!!!!!!!!!!!!!!!!!!!!!!"

Varsity Cheerleaders,  
Bud, Sue, Gloria, &  
Connie

teams in each division chosen must play two games to reach the finals; while the last two teams chosen in each division--since there is a divided tourney site - have only one game to play on Thursday to reach Saturday's "Final Four" clashes at Churubusco. (Of course we all know who is going to be a member of the "Final Four", and we also know who will be the "Finest of the Final Four." GO DEVILS!! WE CAN DO IT!!!!

Sue Martin

This is my first year as a cheerleader and I can say it has been a very exciting one for me. Cheering for the "Varsity Five" is a most thrilling experience. I love being a cheerleader and everything that goes with it. It is an honor and a privilege to be elected to this position. I love the chances that a cheerleader has to meet kids from other schools. I like the feeling that maybe in some way I am helping to create more school spirit.

Before a game I am usually not too nervous or excited because I feel that I am only there to lead the yells and not to put on a show. But I can't help but be very happy to be out there doing it. I feel that the best part of being a cheerleader is the feeling that I am one of the team, and a part of athletic spirit of our school. The least part I like about cheerleading is the fact that a cheerleader is open to everybody's criticism. We are out on the floor a lot and it is only natural for this to happen.

I think everyone is looking forward to the coming sectional and I am not different. When I was asked what I looked forward to at the sectional, I can only answer "Winning it, of course". And I do believe that we can really do it. I was so proud of the team last week. They sure showed Huntington, didn't they? That was a special triumph for me. I have a last word to everyone who is going to the sectional "YELL".

DALE GROGG

Dale, better known as Buddy, has been a cheerleader for one year. Buddy, who feels no excitement before a game, likes cheerleading because it gives him a  
(CONTINUED ON NEXT COLUMN)

CONNIE MC CANN

Connie is one of our varsity cheerleaders. Connie has been varsity cheerleader for 2 years. Connie was asked if she likes being a cheerleader and why. "Yes, it gives you the feeling of helping the team win."

Connie said she gets excited before a game especially about minutes before.

Connie was asked what does she like best about cheerleading "when the team wins." Least is the pepsessions, Connie looks forward to being sectional champs.

GLORIA CRAIN

Gloria who is one of our varsity cheerleaders, has been a cheerleader seven years. Gloria said she likes being a cheerleader because it gives her a sense of responsibility. She said she gets excited before a game.

Gloria likes best about cheerleading when she and the other cheerleaders are thinking up new yells and cheering for the team. The least is having to go along with the officials when she does not think they called a play right.

Gloria looks forward to be winners in the sectional. Gloria says the new yell she likes best is Drum Beat.

BUD GROGG (CONTINUED)

Feeling of helping the team. Watching Auburn win is what Bud likes most of cheerleading. Bud's only dislike about cheerleading is the practice that goes into it. Bud reports that they don't have any new yells. When asked what he looked forward to in the sectional he said, "WINNING IT."

DAVE LONG

Dave Long, 174 pound, 5 foot and 11½ inches, plays forward and center for the Auburn Red Devils. Dave has played on the varsity for two years, and we can honestly say that he adds that extra "spark" that our team needs at times.

When asked if he got excited before and after a game, Dave said, "I always got excited before a game but I only got excited after a game we win."

Dave eats a full course steak dinner before a game and he eats cherry pie after a game.

When asked what he thinks about while playing, Dave stated "Winning and how much the school is backing up the team."

Getting beat and training rules are Dave's dislikes in basketball. Concerning the outcome of the sectional Dave stated "Luck is going to win it. We are as good, if not better than any other team in the sectional. If we have any luck at all (it seems as if we never do) we will go farther than people expect. The Red Devils will burn the nets with their flames. May the luckiest team win!"

TOM QUANCE

Tom Quance, 5'9" guard is a Jr. at A.H.S. Tom is in his first year of play for the Red Devils, and so far has an average of 6 points.

Tom says that he is never excited before or after a game. He eats steak before a game.

When asked just what he thinks about while he is playing Tom says, "I don't think about anything----I've never had the chance."

His only regret about basketball is that he wishes players could play.

In commenting on the sectional, Tom says "Auburn is gonna win!!!!!"

JACK SHAFER

Jack Shafer started the season for the Imps but soon he was moved up to the Varsity. He is 5'10", 130 lb. sophomore with plenty of steam. Jack is a guard for the Devils. He likes a good meal before the game--meat, potatoes, orange juice and fruit. When asked if he gets excited before a game he replied, "You Betcha." He also reports that his mind is on winning the game for A.H.S. Shaf dislikes losing (who doesn't?) and playing against boys twice his size. He predicts a sectional win for Auburn.

PAUL CARPER

Paul Carper, 5'8" guard, weighs in at 145 lbs. Paul, a junior, has played Varsity ball for one year. He says he doesn't really get nervous before a game but he thinks about what would be most profitable for the team. Away games are what he dislikes the most. Paul says he'll eat almost anything anyone fixes him. When asked to comment on the sectional, he said, "I think we are capable of taking the sectional! Let's hope so!!!!!"

DAVE LUMM

Sophomore, Dave Lumm joined the Varsity for the first time during the Huntington game. Previously, he was a guard on the Imps. Dave stands 5'5" tall and he weighs 114 lbs. He says he plays best on a full stomach---steak, toast, orange juice. He's a little nervous before a game, but when it's over, he's not nervous at all. While playing, he worries about making mistakes and he thinks about winning the ballgame.

As most everyone agrees, Dave thinks AUBURN SHOULD TAKE THE SECTIONAL!!!!

BOB KING

"Bob sled" King, five foot 10 inch, 157 lb. forward for the Red Devils is a senior at A.H.S. Bob has played on the team for two years, and averages about 9 points per game.

When asked if he was ever excited before or after a game, Bob said, "No, only if we win."

Steak, salad and milk rate as the meal before a game. What does Bob think about when he is playing? He thinks about defense and winning the game.

Bob tells us that the scuffle for the sectional championship should be pretty good, as all the teams in this area have the same ability. He feels that it will prove to be one of the best sectionals ever.

When asked to make a comment on just who he thinks will win the sectional, Bob replied, "Auburn---who else???" I believe him don't you??

BOB MARTIN

Bob, who is on our first five of the varsity team, is 5'11 $\frac{1}{2}$ ", weighs 170 lbs. and is a junior. Bob's average is 17.8. His position is center. Bob has played on the team for 3 years. Bob was asked if he is excited before or after a game and he said, "Yea-- if we win." Bob usually eats before a game and has steak and nothing afterwards.

Bob thinks about what our chances are of winning the game while he is playing. Bob doesn't like just one thing about basketball, and that's training hours.

Bob says he expects Auburn to win the sectional with flying colors. Bob also was asked who is gonna win? "Auburn, who else"

\*\*\*\*\*

STEVE WIEDERMUTH

Steve is on our first five varsity, also. He is a six foot 180 lb. senior. His average is 8 and his position is forward. He has played on the team for two years.

Steve says he is excited before a game and match-when we win after a game. Steve says he eats "wheaties" before a game. Steve thinks about all sorts of funny stuff, while he is playing. Steve says, "Come out and ask me during some game."

"Moose" doesn't like overgrown opponents under the boards. Steve says, "I think this will be one of the best sectionals in the state. There are many fine ball clubs, but I think that no particular one will dominate the sectional. The Devils will win if all back them."

JON BRUCE

Jon Bruce, a 134 lb., 5'9", Jr. is one of the starting guards in the Red Devil lineup. Jon, who has played on the team for two years, is never excited before a game-- he's only tired afterwards. (And who wouldn't be?)

Before a game, Jon fills up with steak, then he concentrates upon trying to foul the other team without getting caught. (This is what he thinks about most when he plays.)

There is only one thing he does not like about basketball, and this dislike is shared by everyone-- it's losing. (And it's something that we won't be doing any more of!!!!!!)

As to the outcome of the sectional, Jon doesn't think anyone will come to Friday afternoon's game. (Why not?)

Who's gonna win that sectional????? Jon says Auburn!!!!!!

Manager-Statistician

Two very important members of the team are the manager and statistician. Don Lemish and Art Garceau have filled these positions well.

Don, a senior, and the student manager, is responsible for the boys' uniforms and minor first aid problems that arise, and the care of the basketballs. This is only part of Don's job, but he does it well.

Art, Sophomore statistician keeps a record of the baskets made and the number of fouls on each boy. This job is a toughie but Art performs it with flying colors.

Don and Art are both quite excited before a game. There is nothing they dislike about basketball-only losing. (And who doesn't dislike that????)

When asked to forecast the winner of the sectional, both of these boys, each of whom give the team a terrible boost morale, gave the same answers-----AUBURN!!!!!! Who else???????????

WAYNE SEGRAVES

Wayne, who measures 6'2" and weighs 185 pounds, is a forward and center on our team. He is a junior and has been on the squad for three years.

Chili seems to be Wayne's favorite food, for he eats it before and after the game. Wayne says that he isn't excited before the game but after it. Wayne thinks only of winning the game while he is playing. The away games are Wayne's dislikes about basketball.

Wayne says that we can look forward to many surprises in the sectional. (I wonder if he has inside information.)

DOUG COCHARD

Doug Cochard, a 143 lb., 5 foot 10 inch sophomore plays guard for the Red Devils. Doug who's good playing for the "B" team earned him a place on the varsity, has made six points in the game he played.

Are boys excited before a game? Doug's answer is "Yes, excited and anxious." As for what type of dinner he eats before a game, Doug replied, "meat, potatoes, bread and butter---no jolt propelled muscle juice. (milk). After a game, he usually has a hamburger and some ice cream.

What runs through a player's mind as he is dribbling the ball down the court? Doug thinks about winning and being able to do everything right.

Care for a prediction? Doug forecasts a surprise sectional championship for the Red Devils.

TOM SMITH

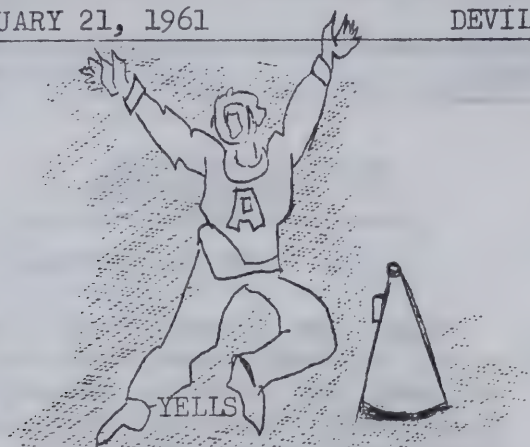

Tom, who is on our varsity team, weighs 145 lbs. and is a senior. Tom has been on the team for 3 years. His average is 2.5.

Tom said he dislikes one thing about basketball and that is "wind sprints."

Tom says he eats "food" before a game. He also says that he is not excited unless he is playing. Tom was asked if he thinks Auburn will win the sectional. He said, "I think Auburn has a chance, but I believe that Garrett is the team to win."

If you're wondering what happened to the old fashioned girl, you will probably find her home with her husband.

I would venture to say that almost every student of A. H. S. would like to see our team capture the spotlight as Sectional Champs. But for our team to win such a victory, they need your backing. They need you, the students of Auburn High School, to yell for them and to show them just how much you want to win.

A big pep session will be held in the gym on Wednesday, February 22 at 3:00. Both Mr. Thompson and Mr. Showalter will speak.

A list of the yells for the pep session are as follows---If you don't know some of these yells please use this article at the pep session. The louder we yell the more the team will feel that we are behind them in the sectional.

TOURNEY DRAWINGS

Have you ever wondered how the tourney is set up? How one team is chosen to play another? Who decides where the teams play? Don't feel discouraged, you aren't the only one that doesn't know these facts. All the (The Indiana High School Athletic Association) in Indianapolis. The actual drawing is done by the Board of Control. The Board of teams places the 670 some teams in all 64 sectional tourneys throughout the state. The I-HSAA also sets up the times of games and chooses the officials for all the games. At the same time the sectional drawings are held, the pairings are made for the regional, semi-state, and state games. All these drawings were conducted on February 15 of this year.

TOP TUNES FOR TOURNEY TWELVE

Because we feel our team is tops we have dedicated some top tunes to them. Here they are:

1. "Shop Around"--That's Jon Bruce's motto.
2. "Calendar Girl"--is the type Dave Long goes for.
3. "Chills and Fever"--is what Bob King gives to all the girls.
4. "I Want to Love my Life Away"-- is often heard to be Bob Martin's Philosophy.
5. "Where the Boys Are"--In the gym practicing, that is, is where you'll find hard-working Tom Smith.
6. "Exodus"--You'll never see Paul Carper doing this during a Basketball game.
7. "Let's Go, Let's Go, Let's Go"--we all know that's Dave Eumm's motto.
8. "Lovey Dovey"--That's what all the girls think Jack Shafer is.
9. "Flamingo Express"--Steve Wildermuth seems to be traveling down the floor on this fast moving train.
10. "Rubber Ball"--our high jumping center, Wayne Segraves, can be compared with this song title.
11. "No Trespassing"(flip side of "Perfidia")--Tom Quance makes sure of this.
12. "Apache"--That's how tough Doug Cochard is.

SECTIONAL GAME HELD UP  
SO FLOOR COULD BE SWEEP

By Sherry Bates

Sound unbelievable? Well, it is true. In 1920, the first year the Sectional was held in Auburn, the high school wasn't completed. Workmen rushed to complete the "little gym." The plaster was so new that when a player threw a wild pass and hit the wall, it crumbled. The game had to be stopped so that the floor could be swept.

The visiting teams came by train in those days and were "put up" with people in Auburn. Everyone got along fine until the game started--then it was "anything goes." Things got so bad a wire screen had to be put behind the basket to keep people from pushing the ball away from it.

Basketball was a much slower game in the 1920's. There was only one referee at regular games, and after every basket there was a jump. The whole court was used, and in one sectional the team that wasn't supposed to win got a few points ahead and stalled the rest of the game.

There were many unusual happenings in the Sectional--for example, once the lights went out at Garrett and a game was delayed for 30 minutes. Another time the Auburn team got stuck in the snow while coming home from the afternoon session and barely made it back in time for the evening game.

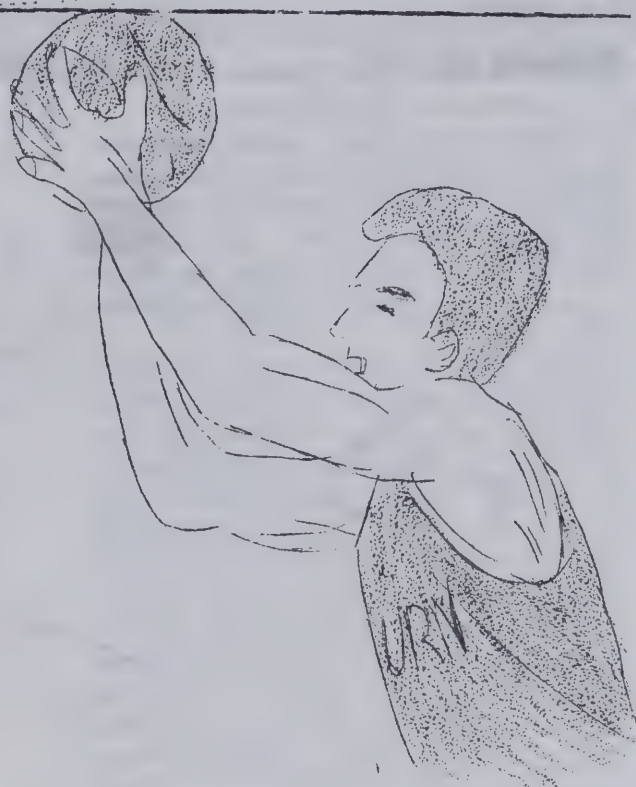

The first sectional was held in 1916. Auburn was defeated by Bluffton 31 to 23. This was considered a pretty good score, as teams usually didn't make more than 30 points. Sixteen teams went to state until 1936, when the regionals began. If a team had to forfeit, the other team took the floor and made a basket. Thus winning 2 to 0.

Although the Sectional has changed during the years, the players have not. Our team is essentially the same as the one that beat Waterloo 100 to 18 or the one that went to state. We know that they will win the Sectional this year!

IRAGNET

This sectional issue, we were asked to write strictly on basketball. We both have our ideas so we'll write our own little sections to give you two separate viewpoints concerning the sectional.

It appears to me this sectional will be one of the most exciting in the state. There is no particular team that is dominant. From the viewpoint of a very small part of a great bunch of guys, I would like to say that I am sure there is no other club in the sectional with the spirit and desire to win than these guys have. There is nothing they would like better than to cut down those nets and bring home a sectional crown to Auburn. One thing is sure--you have to show them that you are backing them all the way. If you can make it to the games, yell for all you are worth and if you can't come to the games, wish them luck and let them know that you're really all for 'em. You may not think that your individual encouragement means much, but believe me--it surely does. Remember, the se guys are going to be playing their hearts out for you, so give them all the help that you can. The Devils can't win alone and the rooters can't win alone but together Auburn will win. So let's go, everybody--VICTORY IS OUR CRY.

"MOOSE"

Well, there isn't much I can say. Moose covers the backing of the team very well. I would like to say a little about sportsmanship. No matter whether we win or lose, sportsmanship is to be our prime goal. We do not want to be a boo winner over a good loser,

a bad loser over a good winner, but we want to be a good winner over a good loser. Booring is a insurgent way of expressing thoughts about the way the game is being played. Instead we should be a propitious group. In other words, we should be favorable to the outcome of the game no matter what it is. We shouldn't be overjoyed if we loose, but we should not be sore losers. Let's make up our minds to be an example to all teams and schools in the sectiona. A good example of sportsmanship, that is. I'm sure that we will make it right down to the Ft. Wayne regional without too much trouble. Just back them all the way and remember our two prime goals; the first is sportsmanship and the second is winning. As Moose said, it takes help from fans as well as the boys to win and as I say, sportsmanship is a part of the fans as well as the boys playing the game. See you at Busco.

"BUTCH"

MR. NORESTINE SPEAKS

This basketball season has been an uphill battle. The team members have worked hard and this has been shown by the progress they have made.

With you, the student body, backing the team in the tournament as you have this season, there is no reason why Auburn cannot come out on top.

## NUTS AND BOLTS

Hi Kids,

All set for the tourney? Boy! This kid can hardly wait! I have some friends who are all wound up about the tourney, too. Only their tourney is a wee bit different than ours. You see they live in Africa. Let's go see what happens. Okay?

It is a dark night in Junglesburg, but almost everyone has gone to the "Pitfall Gym" for the sectional tourney. The teams playing are the "Junglesburg Beasts" and The "Desertland Thirsties." Those "Thirsties" sure are fast with that coconut (I mean basket ball). The officials are Johnny Chimp and Ham Monkey and as far as Junglesburg is concerned, they're as blind as bats!

Well, it's almost time for the game to begin. Here's the Junglesburg line-up. At forward-Bob, the King of beasts at the other forward-Steve Wildermuth the elephant of the team (there aren't any mooses in the jungle; guard - Dave the Long-necked giraffe; guard- Jack Shafer, the ape who makes signs with his face; at center- Bob (rhinoceros) Martin; we don't have time to mention any more at the time. And as for the other team, it's strictly for camels! There's the Buzzer.

At the end of the first quarter the "Thirsties" are ahead 12-10.

At the half-time it's still gloomy "Thirsties" 20, "Beasts" 10.

The third quarter: 42-30. What is happening to the "Beasts"? This is awful! It's the last quarter and some-things gotta give! Oh! It did! You see the camels on the "Thirsties" are working less now and enjoying it more. They're playing the game on replacements. Look at that score board go!-- 32, 34, 36, 38. It's going so fast I can't count! 40, 60, 62---all the way up to 66. 66 to 42! What a game!

Oh! Look! The "Thirsties" are mad. There's a battle on the floor! What a fight! There's a camel laying over there, a monkey laying here, a lion by that tree. Where am I laying? I've been lying all the time!

See ya, Sal

P. S. Seriously, let's get out and send our Devils on to state!!!!  
GOOD LUCK TEAM!!!!

Beatnicks Pad- by JOAN

Tomorrow is the big day. The day we'll be back on the road to victory and to old glory. We haven't forgot what the team of "49" did, but I think we better let everyone remember what the team of "61" did.

No matter how the game goes tomorrow, I am sure that Orland isn't going to quit before they have started. And I know our team isn't going to quit before the final bell has sounded. No matter how easy we think it's going to be, we haven't won until it's over. I know everybody will agree with the next thing I have to say. We're going to beat any and every team we come up against in the sectional, and that means Garrett, too. We've got the team, and we've got the coach, and we've got the school spirit to do it, so what do you say, lets do it!!!

## HALOES AND PITCHFORKS

By Linda Hoodelmier

HALOES - to the Tourney!!!

PITCHFORKS - to anyone not planning and attending the tourney.

HALOES - to the future sectional champs!!! AUBURN RED DEVILS

PITCHFORKS - to anyone that throws confetti at the tourney

HALOES - to those who respect the seniority of the seniors when it comes to the seating arrangement. THE FRONT ROW IS THEIRS!!!!

PITCHFORKS - to anyone that boos.

HALOES - To all junior high students going to the tourney. The more the merrier.

PITCHFORKS - to poor sportsmanship.

HALOES - to teamwork. It will win the tourney for the team.

PITCHFORKS - to anyone that says Auburn will lose their first game. We will prove they don't know what they are talking about.

HALOES - to Auburn fans.

PITCHFORKS - to anyone that doesn't yell for our team at the tourney.

HALOES - to you from the student body  
Bring home a VICTORY!!!!

In keeping with the trend in this edition of the Devils' Journal, we are going to write our hopes and feelings about this year's sectional tournament. There will be every conceivable type of comment made about the sectional. In addition to what has already been said, we only hope that the Red Devils will not suffer from overconfidence. This is no doubt the worst way to lose. Our first opponent in this year's tournament will be Orland. Whether we realize it or not, Orland has but one objective in this tournament--that is to beat Auburn. As long as Auburn goes into the tournament worrying about whether we will beat Fremont or Garrett, we are going to be in for a bad beating. If the Red Devils go into that game thinking of nothing except beating Orland, I'm quite sure we will do just that. After this is accomplished we will then worry about beating Fremont or Garrett. As long as we play every game as hard as we possibly can it is quite evident that every fan will be well satisfied with their team and, better than that, Auburn will be the 1961 Sectional champs.

#### ROMANTIC ROUND

The Freshman girl, adorably gay has a big crush on the Sophomore boy, the Sophomore boy, completely in bliss, admiringly looks to the Junior Miss. The Junior Miss, with rapture and joy, is madly in love with the Senior boy. While the Senior boy, who's in a whirl secretly loves the Freshman girl.

Joe: "Gee, I'm thirsty."

Mr. Norris: "I'd be glad to get you some water."

Joe: "I said that I was thirsty, not dirty."

#### FADS AND FASHIONS by Sudie

Well, its sectional time once again around the state of Indiana. This issue of the Devil's Journal is based upon the Sectional Tourney.

The tourney should be gay and colorful, bring cheer to the different people around you. Therefore, I suggest you dress colorfully as you can. Perhaps you can wear your school colors that always brighten the picture around you.

If the girls would wear red or black skirts with a red or black sweater they would really look sharp. The red and black corduroy gym shoes would really be neat looking with your outfit of the same colors.

The boys would be outstanding in a red blazer with black pants--flannel or wool. Or a red sport shirt or a print of the same color.

Since this is the Sectional again, let's try and back our team so our school can come home with the sectional honors.

Good luck to each and every member of the team. We'll all be backing you!

#### QUESTION OF THE WEEK

By JoAnn Elliot

Question: What will be your first reaction after we win the sectional?

Becky Raub-"I'd jump for joy and collect my bets."

Don Hoover-"I'd faint."

Dele Grogg-"Get ready to win the regional."

Dixie Lee Rolf-"Go to Waterloo and tell Jack!"

Mr. Furber-"Hydrolysis."

Phil Woodcox-"I'll wonder how we got by Garrett."

Ted Peters-"Wow!"

Linda Wilkinson-"I'd have a party."

Connie McCann-"I'd die."

## AUBURN RED DEVIL HIGH SCHOOL BAND GOES TO STATE

As a result of their winning a superior rating at the district contest in Auburn on March 25, the high school band will go on to the state contest at Lowell, Indiana, this coming Saturday, April 8. The Auburn band, along with Nappanee's, Hometown's, and Angola's, received a superior rating in Class BB.

The band, under the direction of Mr. Richard Norris, played three numbers. They were: "Blue Flame," "Music for a Carnival," and "Overture Militaire." These same three pieces will be played in state competition. Along with this, the band will have to sight read a march and an overture at state contest. This is part of the judging.

This was the first time in nine years that the Auburn High School Band won a superior rating at contest. They did a great job, and let's hope they do equally well at state contest this Saturday.

The excellent cover for this issue was sponsored by a member of the Band Boosters and is in recognition of the honor brought to the school by the band. The photograph used is the one which will appear in the 1961 Follies.

#### F.T.A. TO BE BUSY DURING APRIL

By Connie McCann

April will be a very busy month for all F.T.A.'ers. First on their agenda is a triangular meet at Angola on Wednesday, April 5. F.T.A. members from Angola, Kendallville, and Auburn will get together for an enjoyable social evening. Then on Tuesday, April 25, there will be a dinner in honor of the founder of the Auburn, chapter of FTA, Miss Gladys Duguid. Committees for this gala affair have been appointed, and they are hard at work so that this event will be quite a memorable one. Finally, a joint, spring convention for F.T.A. and Indiana Student Education Association will be held at Butler University on Saturday, April 22. At this convention there will be introduction of the candidates who are running for state offices, a business session, discussion groups, a joint F.T.A.-I.S.E.A. luncheon, and an entertaining speaker. Mrs. Voss is hoping to have several of the local F.T.A. officers attend the interesting and informative meeting.

Election of three major staff positions on the Devils' Journal will take place in the April 17, 1961. The three positions are Associate Editor, Business Manager, and Exchange Secretary.

Any student in Auburn High School, is eligible for any of these positions. Each applicant, though, must be willing to give extra time for these duties. The jobs require work during nearly every week of the school year.

The associate editor is an understudy for the editor, as he will become editor after one year as associate editor. He assumes a major responsibility in the paper, such as: news or feature editor. Also, the associate editor must be able to proofread other people's work. In the case of the editor being sick, the associate editor must take charge. This year, Marcy Tucker was the associate editor and was also news editor.

The business manager has charge of circulation. This job entails supervision of sales, salesmen, records, accounting, the purchase of supplies, and the payment of bills. Kay Miller served in this capacity during this year.

The exchange secretary establishes contacts with other schools in this area about exchanging newspapers for the school year. She mails out copy of each issue to the schools on the exchange lists. Likewise, the exchange secretary receives newspapers from other schools and keeps records. Connie McCann was the exchange secretary this year.

Remember the election date is set for April 17, 1961!

STUDENT COUNCIL PRESIDENT

This spring a new type of election is to be held by the student body. It is the election of the president of the student body and of next year's student council.

Regulations for achieving this post have been set as follows:

1. The nominee must at the present time be a junior.
2. He must give a short speech to the student body.
3. Any junior may be nominated or may run.

Other rules may be set up by the student council.

The date for the close of the nominations was set for April 5.

No election date has been set.

The new president will assume office at the beginning of the school year next fall. He will be responsible for organizing the new student council. He will also preside over the student council meetings and will be the representative of the whole student body.

Good luck to all nominees!

BALL STATE HIGH SCHOOL DAY

By Carole Wible

Ball State Teachers College at Muncie will hold a High School Day on Saturday, April 22. This will be a wonderful opportunity for high school students to become acquainted with Ball State. Students attending Ball State for the day will get to see instructional, housing and recreational and career objectives with college personnel. Then, too, interested students may obtain enrollment and financial information.

If you are interested in attending the High School Day, you can contact Mr. Notestine for further information.

TIME FOR 61-62 SCHEDULE

The time has come for students in grades 9-10-11 to decide on the courses you will be taking next year. A few items would be well worth your consideration in planning your schedule.

First, the following requirements must be met for graduation at A.H.S.: 3 years English, 1 year math, 1 year science, world history, U.S. history, civics, driver education, and four years of physical education or health. Electives will then make up the necessary courses for 16½ units required for graduation. One unit is the equivalent of one full year in a prepared course that meets 5 times per week.

You must also choose courses that will give you the minimum of 2 majors and 2 minors. A major is 3 years in a subject area, and a minor is 2 years. To meet the requirements, you must carry four solid courses each of the four years in high school. More or less than four should be cleared with Mr. Notestine or Mr. Thompson. If you make a failing grade in a course, you will be short one credit, and special care should be taken in order that you will be caught up in your senior year.

If you are planning on college, it is advisable to take the fourth year of English, Latin, or French, and other courses that will fit your vocational plans. Of course, more important for your future success, is whether in college or on the job, is your work and study habits. If you are determined enough, and discipline yourself to get the job done, then the major problem is solved. If you have a question concerning your schedule, no matter how minor, please see Mr. Notestine or Mr. Thompson before it becomes a problem.

PHILIP WOODCOX

"Woody" entered this cruel (?) world on June 4, 1943, in Plymouth, Indiana. Auburn held a special attraction for him, so Woody along with his parents moved here. Since that day Woody has become a true Auburnite. He has attended Harrison, Jr. High and A. H. S.

Woody's favorite subject is geography, and his pet expression, as you all know, is "Yea, you are." Black is his favorite color.

Ben Hur is a movie that Woody will long remember, Barbara Nicholes and Lawrence Harvey are his favorite actress and actor. "Leatherjacket Cowboy," and Farewell to Arms are his favorite song and his favorite book.

Woody's pet peeve is a common one nowadays--he hates T. V. dinners.

Woody has summed up his most embarrassing moment very effectively: "I hit reverse when I was going 50 mph., while I was fragging with Steininger." Need we say more???? His most memorable thing about AHS is the "people who didn't know the language."

Woody, who has been active in Plebes, Hi-Y (of which he is the secretary), and the lettermen's club, and ITG's is also a Rotarian. He attended Boy's State this summer.

Woody's future looks very bright, as he plans to attend Indiana University. I know that Woody will go far in his chosen profession.

BARBARA LEE HESS

"Bobbie" breezed into this world on Oct. 18, 1943. A true Auburnite. Bobbie has attended Riley, Harrison, Jr. High, and good old A. H. S. Her favorite subjects are Speech and Civics.

"I'll never tell" is Bobbie's favorite expression. Baby blue and the different shades of brown "Rate" as Bobbie's favorite colors. If anyone has an Azars Big Boy - call Bobbie, as this is her favorite food.

When asked to name her favorite actor, actress, and movie, Bobbie gave us these: George Hamilton, Elizabeth Taylor, and Where the Boys Are. Gone With the Wind and "Shop Around" are her favorite book and song.

Are you always late? Are you unfriendly. If so--stay away from Bobbie, cause you are her pet peeve!

Barb, who's favorite past-time is riding around with the girls, has been quite active in A.H.S. She is the president of Tri-Hi-Y, the secretary of student council, in FTA, and is on the annual staff. This busy schedule no doubt provides her with her most memorable thing of A.H.S.--the fun the girls had through all their four years of high school.

Bobbie has a special word for the underclassmen--"Have fun, but work hard, because it's true that high school is four of the most enjoyable years of your life."

After graduation, Bobbie plans to work for a while, and then thinks about attending a business college. Whatever this merry gal plans to do, her personality will enable her to do it well.

WILLIAM EDWARD MYERS, JR.

"Bill" is a true Auburnite, as he was born here on August 31 1943. Since then he has attended DeSota, Harrison, McKenny Jr. High, and A. H. S.

Bill's favorite subject is psychology (he took the extra morning class.) "Whysu-ure" is his pet expression. Blue is his favorite color.

Bill's idea of his favorite food has caused me to make an appointment at a doctor's for him, as once he's eaten it--I have little doubt that he'll survive. What is this concoction it's a peanut butter, dill pickle, mustard, and mayonise sandwich. Now doesn't everyone agree???

Sandra Dee and John Wayne are his favorite actor and actress, while "Summer Place" is his favorite movie. "Milk Minor" and "Little Pedro," seem to be Bill's favorite songs. He picked On the Beach as his favorite book.

As a pastime Bill can be found "Dingin' Around." His pet peeve is people who are not on time (now Bill! Didn't you come into Psych. class twenty minutes late one time??) He has had no embarrassing moments yet, (ha!)

Bill's most memorable thing about AHS will be when he graduates.

As chaplain of Hi-Y, and in band, track, and on the Homecoming and the Jr. & Sr. Banquet committee, Bill will be most remembered in AHS. (He'll also be remembered for his Cuttin' up in Fischer's class.) Bill plans to become a psychologist in the future.

LINDA MARY WEBB

Linda was born December 26, 1942; a day after Christmas WOW! She was born right here in good old Auburn. She has attended all Auburn schools, Harrison, Auburn Junior High, and A. H. S.

"Webby" states that Bookkeeping is her favorite subject. T--Bone Steaks, shrimp, and French fries rate very high on her menu. If you ever hear someone say "That's a coolie", it must be Linda. Powder blue is her favorite color. "Imitation of Life" seems to be the best movie that she has seen. The actress and actor that are tops are Sandra Dee and Frankie Avalon. "There's Moon Out Tonight" and "Where the Boys Are" rate as the greatest in the fields of music and literature. During her free time she likes to dance and listen to records.

People who think they are better than anyone else; and those who pass things around about other people that are not true are her pet peeves.

When she laughs so hard that she wet her pants, stands out now as her most embarrassing moment. The junior-senior banquet stands out in her mind as the most memorable moment in A. H. S.

Linda has belonged to Teen-Y, Tri-Hi-Y, Noon League; and on the team "Koot's" that won all their games, and F.H.A., Vice-President and Historian.

In the future Linda wants to become a model; and move to a different city, meet new people and get a nice job.

We all know that whatever our Linda decides to do she will do it very well.

THELMA JEAN RINK

Thelma (Sis) was born on July 1, 1943, in Auburn, Junction Grocery Store. Thelma has attended many schools: Harrison, old Jr. High, new Jr. High, and Auburn High School. Thelma's favorite subjects are art and gym. Thelma's expression is "My Goodness" Favorite color is lavender; her favorite food is steak. Thelma's favorite movie is "Where the Boys Are." Her favorite actress and actor are Debbie Reynolds and Paul Anka. Her favorite songs are Cathy's Clown and A p a c h e. In Thelma's pastimes she likes to skate, dance, and draw people. Her pet peeve is "People who talk to someone only when they want something."

Thelma's most embarrassing moment was, "When Bill Barnhart twirled my fake pony tail in economics class."

Thelma's most memorable thing of A.H.S. is art class of 58-59.

Thelma's very active in A. H. S. She is art editor of 1961 Follies, assistant fire warden, booster club, decorating committee for Jr.-Sr. Banquet, and Girls' Noon League.

She plans to get married or become a commercial artist. Good luck.

THOMAS HENDRICKS TIPTON

Thomas ("The Scotchman") was born March 18, 1943, at LaFayette Indiana. Tom has attended many schools: Delphi, Kentland, and good old A.H.S. Tom's favorite subject is girls! His expression used is "Oh-!!" Tom's favorite color is royal blue. Tom said, "My favorite food is marinated anything." Favorite movie is Where the Boys Are. Tom's favorite actress is, "Doug Scott (as the widow Harrison.)" Favorite actor is Errol Flynn. Tom's favorite song is "Beethoven's Unfinished Fifth." (Ha) Tom's favorite book is My Wicked, Wicked Ways. In Tom's pastimes he likes to eat, drink, and not being married.

RICHARD EDWARD SMITH

"Smith," who was born on September 11, 1943, has attended Harrison, DeSoto, McKenney Jr. High, and Auburn High School. His favorite subject is book-keeping, and his pet expression is "That smarts!"

Hamburgers and french fries are Dick's favorite foods, and blue is his favorite color.

"Where the Boys Are" is Dick's favorite movie, and for the actor and actress he likes most Dick chose David Wilson and Connie Stephens. The song "Are the Boys Out Tonight?" rates as Dick's favorite song.

Dick, for a pastime, enjoys working on cars. Here he isn't bothered with his pet peeves which are people who butt in on a private conversation.

Football, basketball (during his freshman year) and basketball league have claimed Dick's attention during these last four years.

The future will find Dick at International Business College where he is going to learn to be a Certified Public Accountant. Most certainly Dick will be a great success in his chosen field.

Tom Tipton (con'd)

Tom's pet peeve is "Conceited underclassmen!"

Tom's most embarrassing moment was "When my 'black book' was taken and circulated through third hour study hall."

Most memorable thing of A. H. S. is English XII (under Mr. Williams.)

Tom is very active in band v.p., 59-60, speech club president in 60-61, and Senior Boy's Activity Club president in 60-61.

Tom's achievements: "Parking my car upside down and staying sober New Year's Eve!"

Plans for the future (to be a playboy and die in a sports car race.) Tom is going to Hanover College. Good luck. We know you will succeed in whatever you do.

## LINDA JEWELL WILKINSON

"Red" staked her claim to the population of Auburn on September 15, 1943. Since then she has attended the Riley, Harrison, McJenny Jr, High, and Auburn High schools.

"Julie" as she is most often called, lists speech, geography, and psychology as her favorite expression has been uttered most when she's trying a flip on the trampoline.

Sea green is Julie's favorite color, while squirrel pie is her favorite food. Paula Prentiss is her favorite actress, and George Hamilton is her favorite actor. Where the Boys Are rates as her best movie. "Linda" is Julie's favorite song, and The Children Grew is her favorite book.

Julie's favorite pastime is writing letters to a certain guy in Germany. (Wonder who)????? She also likes to do a little interpretative dancing in her spare time.

Linda's most embarrassing moment was when she had to take a very embarrassing walk down the fore escape at church camp, cause she got caught sleeping during fest period." She was -- also quite embarrassed in one gym class---ask her why she's called Red.

The thing Linda will remember most about AHS is when she won the Rotary Speech and also the-- American Legion Speech Contest

Linda has been quite active in AHS throughout her four years as she is in GAA, FTA, FHA (of which she is now reporter), Tri-Hi-Y, the Speech club, the Pep Club, and Chorus. In addition to this Linda also served on the J Sr. banquet committee and on -- the Homecoming committee.

Linda won the American Legion Essay contest in her junior year and also attended the District

## ROGER WALTER WEIMER

Rog was born on December 27, 1942 (another one close to Christmas.) Rog was born in K'ville. He has attended Riley, Harrison, both Jr. High's, and A.H.S.

Industrial Arts seems to be his favorite class. Rog is quite partial to blaud and pizza. Debbie Reynolds and John Wayne are his favorite actress and actor. The best song and movie to Rog is "Where the Boys Are".

Ex has seems to be his favorite book. During his free time, he enjoys watching TV. If you ever hear someone say "Portage"??? you will know it is Rog.

Roger dislikes boys who brag about the girls they had the night before. When Helen Dilley had to write for Rog in the 10th grade because he hurt his arm, was his most embarrassing moment.

Being a member of the Varsity football team will be mostly memorable of A.H.S.

Rog has been track manager and is a member of the Lettermen's club.

Rog wants to be a tool and dye maker and to be a success.

GOOD LUCK ROG!

Linda Wilkinson can't

English contest during that year. She won the Rotary Speech contest this year and (along with Tom Quance) represented the county, and the district at the American Legion Zone speech contest in Kokomo. Linda has also been on the honor roll.

A talk to the underclassmen "Work hard, but do have fun. These four years are truly the best years of your life. We as seniors, are just finding out that one never knows what a wonderful thing he has until he's almost lost it."

After graduation Linda plans to attend Ball State Teacher's College and become a political science teacher. Wish her luck.

NUTS & BOLTS

While looking for something to write about in this issue we came across an old but new topic--GOSSIP.

Have you ever spread gossip? Or, have you ever had gossip spread about you? If so, you should know how gossip can affect different people.

Spreading "Talk" can give you a bad name, and also the person you talk about. There are many different kinds of gossipers, but the chronic gossip is the most dangerous of all. This person spreads gossip constantly, and three-fourths of the time they spread untruths. The next time you start to gossip T H I N K! "Would this gossip hurt me if I were in the other person's shoes?" Remember...Silence is golden.

Next Issue:

"Do you fit your name?"

All those interested in having their names analyzed give their first and middle name to Sal Warren or to Marsha Allen.

See ya' then  
Sal and Marsha

P.S.

Sal has a new partner.

MYSTERY PERSONALITY

Hi! We're off to test your knowledge of your friends at school.. There is a boy in our school who is seen loafing in study hall during the 20 minute period; then he takes off for speech. If you hear an ouga on a blue car, you can be sure it is him! Lately his car is seen in front of an insurance man's house quite often. He loves to stack lockers; especially junior girls!! He roosts at a filling station and plans to be a barber. Oh, and he is also a SENIOR! Who is he? The answer is in the Deviltry.

40 MILES OF BAD ROADS

Spring has sprung. It is the time of the year when an automobile driver not only has to look out for playing children, dogs, and dreamy-eyed pedestrians, but also for holes in the streets. These depressions are no longer considered as holes; they are Grand Canyons.

Sensing a strong resentment among the students toward the Auburn Street Department, I took it upon myself to interview the leading authority on road repair. In doing so I interviewed Don Steininger. "Don," I said, "what is your scientific comment of the Auburn street conditions?"

"I feel," said Don, "that this is a grave threat to the entire social activity of Auburn."

"Don, how does the condition of the streets have anything to do with Auburn's social life?"

"Well, it has an indirect effect upon the students' night life. Let me give an example. The other night my girl and I were out riding around. We had been on ends with each other all night and were just beginning to uh....uh...understand each other when all of a sudden--Wham!"

"Wham?" I questioned.

"Yeah, I hit a hold and blew out a tire. And that's not all that blew up. My girl is still mad at me."

"I am beginning to see what you mean by a social detriment."

"Last Saturday," continued Don, "Woody Cox was supposedly teaching a helpless girl to drive and got stuck in a soft shoulder."

"Yeah, I bet he did."

DORTY DIX

By Becky Blevins and Jama

Dear Dorty,

How do you get your parents to let  
you stay out later?

Early Bird

Dear Early Bird,

Come in a little earlier on week-  
days than your parents tell you to be  
home and then on the week-end ask if  
you could stay out a little later. Be  
sure you come home at the time they  
set for you.

Dorty Dix

Dear Dorty Dix,

I like this girl very much but one  
thing about her bothers me. She is  
very quiet and shy. What can I do to  
bring her out of this mood?

??

Dear ??,

There really isn't much you can do  
to keep a girl from being shy. Don't  
embarrass her in front of anyone for  
it may make her worse.

Dorty Dix

Dear Dorty,

A girl has been coming to our  
house quite a bit. I don't know  
whether it is friendship because our  
families are close or whether she is  
interested in me?

Friendly Type

Dear Friendly,

Does the girl pay particular at-  
tention to you or does she talk most-  
ly with your family? If she talks to  
your parents more, she is probably  
there just for friendship of the fam-  
ily.

OLOD'S CORNER

Did you ever wonder---

Why Connie Metcalf says, "What is  
this?"--

What Mike Depew meant when he said,  
"Not this cat!"--

Why Lana Carper can't see--

Why Marcia Willis is always telling  
everybody, "Your outta your  
mind!"--

Why Kathy Miller is always talking to  
herself--

What it would be like if you could  
skip school and the principal  
wouldn't care--

Why kids like C. F. and B. M. don't  
like the dictator in 6th hour  
assembly--or do they?--

What the slogan "Act now--join P.O.W."  
meant--

Why Phil Woodcox and Nancy Farr have  
such unusual laughs--

If you think reading this was  
boring, try these two jokes--

The blind man said, "I see."

Deaf and dumb said, "You're a liar!"

Sue was walking down the street  
when a car pulled along side. The  
door opened and a voice said, "Hop  
in." Sue said, "I'm not the kind of  
girl you can pick up!"

"Well, why don't you go on a diet!"

Dear Dorty Dix,

A boy that is a year younger than  
me has asked me for a date. What I  
want to know is, should I go? In a  
way I am scared that people will make  
fun of me?

Scared

Dear Scared,

If you like the boy, go. Don't let  
other kids scare you away from this  
boy.

HAW'S  
HORTS

Well, it's baseball time again. The major league season starts in three weeks and this year the race should be close in both leagues.

In the National League we figure the Pirates have had their year, and now they will get back to normal. We look for the San Francisco Giants to take it all with Los Angeles, Milwaukee, St. Louis, and Pittsburgh to finish in that order. Here they are in the order we see them finishing.

- |                  |                 |
|------------------|-----------------|
| 1. San Francisco | 5. Pittsburgh   |
| 2. Los Angeles   | 6. Cincinnati   |
| 3. Milwaukee     | 7. Philadelphia |
| 4. St. Louis     | 8. Chicago      |

In the American League we look for Chicago's go-go White Sox to win and for the Yankees to go down. Here is the order we see them finishing in.

- |              |                 |
|--------------|-----------------|
| 1. Chicago   | 6. Boston       |
| 2. Baltimore | 7. Washington   |
| 3. Cleveland | 8. Minnesota    |
| 4. New York  | 9. Los Angeles  |
| 5. Detroit   | 10. Kansas City |

## SPORTS AROUND THE WORLD

1. West beats East in Shrine game behind big Walt Bellemey of Indiana.

2. Boston and Los Angeles will meet for the championship of the N.B.A.

3. The Fort Wayne Komets are still in the thick of things in the International Hockey League playoffs.

4. Walt Bellemey, Larry Seigfried, and Roger Kaiser, were the first draft picks of the National Basketball teams.

5. United States Hockey team wins World Championship in Hockey.

6. Toe Blake, manager of Montreal Canadians was fined \$2000 for slugging referee.

7. Track season opens all over Indiana as schools get ready for meets.

## SPRING TRAINING OPENS

Down South where it is a little warmer the Major League Baseball teams have opened spring training in preparation for the 1961 seasons. They have been playing one another, and all of the teams have been experimenting with rookies and trying to get the old pros in shape.

The world champion Pittsburgh Pirates have been showing people they mean business again this year as they have the best won-lost record among all of the clubs. The New York Yankees, on the other hand, have been doing just the opposite. Under new coach Ralph Houk, they have the poorest record among the teams. But remember this is not the regular season yet. In the National League, St. Louis, Milwaukee, and Los Angeles, along with the Pirates, figure to be tough. Baltimore, Cleveland and Chicago figure to try to pick up New York's crown, but the Yankees won't take it sitting down. Here are the exhibition standings.

### American League

1. Detroit 12-8
2. Boston 9-6
3. Chicago 9-8
4. Washington 9-8
5. Kansas City 9-10
6. Baltimore 8-9
7. Minnesota 8-10
8. Cleveland 8-8
9. Los Angeles 5-8
10. New York 6-13

### National League

1. Pittsburgh 13-5
2. Philadelphia 9-6
3. St. Louis 10-7
4. San Francisco 9-8
5. Chicago 10-9
6. Los Angeles 10-10
7. Milwaukee 8-10
8. Cincinnati 6-13

The Fordy First Psalm

The ford is my car; I shall not want  
another,  
It maketh me to lie down in muddy  
road;  
It taketh me in the paths of disgrace  
for its namesake,  
Yea, though I ride through the val-  
leys, I walk up the hills.  
I shall have no comfort while it is  
with me.  
Thous breakest down in the presence  
of mine envies;  
Thou anointest my head with oil;  
Thy radiator runneth over,  
Surely, if this thing shall follow me

Then I shall dwell in the bughouse

### AS I SEE IT

It is once more the time to say good by to our graduating Seniors. I can well imagine how you Seniors feel. The long four years are over tomorrow and you will soon acquire the feeling of "being on your own." I visited I. U. last weekend and saw everywhere students who are on their own and love it. The class of '61 I'm sure feels glad to have helped initiate the new things around A.G.S., and will tell many "remember whens" about their high school years. But I imagine they're glad that they've reached their goal. Soon you grads will be going on to college, a job, or marriage. In whatever you do, the A.H.S. student body wishes you the best. So long, Seniors..

This is to say "Thanks go!" to Ann and Mr. Love for helping me during the past year and to a swell bunch of typists, editors, writers, printers, and salesmen for their help on this last issue. We'll see you in the fall with a new style Devils' Journal.

See you then,  
Marcy Tucker,  
Editor-in-Chief

### BACCALAUREATE SERVICE TO BE HELD MAY TWENTY FIRST

by Sherry Bates

The Baccalaureate service for the Graduating Class of 1961 will be held on Sunday, May 21, at 2 P.M. in the Junior High Auditorium.

A challenging address will be given to the one hundred-eleven members of the graduating class by Rev. Willard Boyle of the Auburn First Methodist Church. The invocation will be given by Rev. Loren Shackleton of the Auburn Church of God and the prayer by Rev. Odin Memering of the Auburn Church of Christ.

Special music will be furnished by the High School mixed chorus. Mrs. Wayne Beuret is the accompanist.

# OFFICERS, OFFICERS, OFFICERS!!!!

## KURT HAHN ELECTED PRESIDENT

By Mary Ann Holdeman

Throughout last week Bob Martin, Kurt Hahn, Mike Wagner, and Jim Habig a long with their loyal supporters campaigned by putting up posters, passing out suckers and cookies, and distributing hand bills. This continued right up to and including Friday until only the speeches and voting were left. One by one Kurt, Mike, Jim and Bob gave their talks; each had a good platform.

During first and second period, I don't think anybody had his mind on his work.

Halfway through second period, Mr. Thompson paused just before announcing the winner, and I could see my classmates holding their breath. You could hear the cheers of Kurt's supporters as his victory was announced.

Congratulations to Kurt for winning and to Jim, Mike and Bob for excellent campaigning.

Also, I want to congratulate the students for all the effort they put forth in this election. I don't think that I have ever seen more school spirit for one event.

## PLEBES OFFICERS ELECTED

## FOOTBALL REVIEW

Looking back to football season, find some high points and a few lows. I believe the high points - but number the low points. The only low point is that we didn't win all of our games. The first high point was when the Red Devils took to the field on August 15 for their first practice. They practiced hard for two weeks when on September 2, they played in their first jamboree. The 6 to 0 defeat to Angola didn't mean a lot because it was only a half of a game. It was a preview to the big headache Coach Johnson was to have all season; The Red Devils trailing at the end of the first half in every game. It seems that Coach Johnson's only prayer was a good second half and in most cases his gridiron contenders came through. When they left the field Coach Johnson was proud of them.

The first season game saw the Devils play a strong second half but lose to Decatur 27 to 7. In their second game the boys came through with their first victory of the season. They defeated Bluffton 13 to 6. This was also their first victory in the N.E.I.C. against a loss. In that game the Auburn gridgers scored a touchdown in the second half to gain a 7 to 7 tie with Angola in their conference. This made the season record and conference record; 1 win, 1 loss, 1 tie. The fourth game was a noon conference affair with the Bulldogs of Nappanee. The Devils picked up their second victory by a score of 13 to 7. In the fifth game, a conference game, the Kendallville Comets overpowered the Red Devils in the first half to gain a 34 to 20 victory. This made the season record 2, and 1. Conference 1, 2, and 1. On October 7, the Auburn squad traveled to Hartford City and fought hard opposition plus some bad breaks, to gain a 19 to 14 victory. All 12 points came in the second half. On the 14 the Devils were on their home field against a new team on the schedule, North Manchester. The squad pick

up its season's second straight win by a score of 14 to 12. Going for the third victory in a row the Red Devils met an overgrown Warsaw squad and lost 27 to 6. On October 25, the Auburn Red Devils traveled to Garrett for the bi-rivalry, the final game of the season, and their final conference game. To a much stronger Garrett team the Devils showed spirit all the way but dropped a tough one 12 to 0 to the Railroaders. This gave the Red Devils a season record of 4 wins and losses with 1 tie. They finished the Conference with a 1, 3, and 1 record.

Bob King won the most Valuable Player Award and also the most yards gained in a season. Jim Reas won an award for the most tackles of the season.

The following seniors will be lost to the team next year: T. Smith, B. King, R. Tarlton, D. Steininger, D. Cole, J. Shoudel, R. Weimer, H. Sherwood, S. Knisely, D. Bard, J. Reas, J. Gaskill, and T. Emerson. Three regulars were lost before the 1960 season began. Kim Webb and Don Lemish both underwent operations for knee injuries the previous season and were unable to participate in the 1960 campaign. Mike McKinley, starting quarterback in 1959 was lost when he moved to Deming, New Mexico.

## TRACK !!!

Auburn's track team ended its track season in a good way by beating Butler for their only win of the season. Jon Bruce and Bob King were the only standbys for the Devils this year. Bruce, a junior was consistently scoring in the high jump and broad jump, having one of the area's bests in the former. King ran the 440 and high hurdles and also high jumped. There will not be too many boys graduating next year, and the team should do better.

## AUBURN WINS N.E.I.A.C.

Auburn's crack golf team closed out its regular season with a bang by winning the N.E.I.C. conference at Garrett. Led by medalist Doug Scott, who had a 74, the Devil's beat out the second place Elmhurst Trojans by 12 strokes. Scores were: Scott-74, West-76, Myers-76, Shaw-77.

This was really a fit ending for the Devils, who lost only one match all year that being to Elmhurst. Lettermen on the team will be Scott, the only graduating boy, West, Myers, Shaw, and Dave Long.

### Baseball 1961

The Auburn High School Red Devils have added another major sport to their action packed athletic curriculum, Spring Baseball.

Coach Calen Showalter's nine are going to have a busy schedule inasmuch as they have 7 tough North Eastern Indiana Conference Games to be played in the span of only three weeks. This means not much time to practice or rest up between games.

To date, the Devils have a 0-3 record. In the first game of the year, the Bluffton Tigers lucked a couple in and defeated us by an 8-6, margin. The winning pitcher was Stroud from Bluffton. Steve Wildermuth pitched from Auburn.

The Decatur Yellow Jackets were our next foe. Wayne Seagraves pitched a beautiful one hitter. If only that hit hadn't been a two run homer, we'd have won the game. But as they say, "It's all in the game." That was all righty blow to the boys. The game wound up 3-1.

The last game played to date was against the New Haven Bulldogs. We were defeated by a score of 7-4. After the heartbreaker the night before, one would imagine that their dobers would be down a little.

### Baseball Cont.

But, fans, there is more action on the diamond this year. You can help fine athletes to get out of the rut and win the next four games. Get out there and root for our boys. They represent you, the student body and the town of Auburn. Let's win so we can stay the Auburn Red Devils. How about it?

Players ate as follows: Seniors- Steve Wildermuth, Tom Smith, Don Lemish, Phil Woodcox, Mike Cornelius; Juniors- Jon Bruce, Wayne Seagraves, Tom Quance, Bob Detrick, Don Aschleman; Sophomores- Dave Ann, Robert Myers, Jack Hafer, Steve Thomas.

Tony Lemish is helping Coach Showalter with the boys.

Attend these games:

May 13, Angola Home N.E.I.C.  
22 Columbia City There(")  
24 Mendallville Here (")

### '60-61 BASKETBALL SEASON

This past basketball season has been a memorable one. For the first time the team has really shown some spirit. They really wanted to win. This, I believe, was because of the excellent coaching of Mr. Showalter and the spirit and fight the whole student body showed.

Coach Showalter, Coach Vokel, and Coach Motestine did a fine job of whipping the boys into shape. They made a team out of individuals and sparked some fight into them. This shows we had a fine coaching staff and team members who wanted to win.

Coach Showalter had a tough job of picking twelve men to represent the Red Devils, because there were so many good men.

A couple of dark spots of the season were that Don Wiley's Transferring made him ineligible for sports and Jack Gaskill's cutting his arm. This was the hieght that we needed but lacked.

After these two incidents, the team spirit bogged down a little. But

BASKETBALL CONT.

when Jack Shafer, Dave Lumm, and Doug Cochard were moved up from the B team we started to pick up and finished the season with a good record.

We are losing only 3 seniors this year--Steve Wildermuth, Bob King and Tom Smith. We are sorry they are leaving our team, but with Wayne Showalter, who is 6'5", we ought to have a winning season. Next year the regulars we will have back are Dave Long, Wayne Segraves, Bob Martin, Tom Quance, Paul Carper, Chuck Hoover, Jack Shafer, Dave Lumm, and Doug Cochard. With these boys there is a lot of potential, but they need to know the student body is behind them all the way. So Let's Get The Spirit and GO, GO, GO!

SHE'S OUR ANNIE!!!

This is to thank Ann Fasmann for the very wonderful job she has done in editing the paper during the past school year. Ann has spent about 20 hours per issue to make our paper a success. Ann initiated the Devil's Journal's "specials"--for the first time our paper had 2 issues which featured pictures our basketball team and band. Thanks alot, Ann, you've been great!!

## Seniors, We Will Miss You

The class of "61" will soon be on its way,  
Yesterday was September, but now already May,  
Good luck in whatever you happen to do.

- -Yes, Seniors, we will miss you.

Some of you will marry, while others go to school,  
But to us, left behind - you're like the jeweler's jewels.  
Without you we are - oh - so blue,  
- - Yes, Seniors, we will miss you.

But whatever you are, boy or girl,  
You're no longer kids, you're part of the world.  
Life won't always be bright in view,  
But remember, Seniors, we'll remember you.

But all we can say is a cheerful goodbye  
And don't forget old Auburn High.  
As friends we will always remain true blue,  
Yes, Seniors, we will remember you.

Sal

Hi!

Well, Sal has put in a poem about how we all feel. The class of "61" will soon be out in the world, on their own. But can you remember all of the little things that made high school exciting for them?

Remember when...

Tom Tipton had his wreck?  
Rob King was picked up twice in one day?

Connie Metcalf dyed her hair?  
Certain Senior girls received diamonds?

Don Steiningner acquired the name "Cuddles"?

Doug Scott dated a Freshman girl that was going steady?

Bill Myers was caught throwing rocks down the assembly aisles?

John Shoudel caught his fingers in a clamp and couldn't get it out for two hours?

Moose found a Christmas tree in his car? ( In April, too!!)

All of these little things and many others will probably long be remembered by the class of "61".

We'll miss you all!

Marsha

Well, we certainly want to wish you Seniors "the best of luck!" And to the rest of you - "a nice vacation and we'll see you next year!"

Sal and Marsha

## CLOD'S CORNER AND BEATNIK'S PAD

by Joan

I guess Endsville has made the scene. Since it will be the last chance I have, I shall write about the class of "61".

When I got on the train, it was with the idea of leaving everybody and getting away from everything. But there on the train I knew that I was trying to forget about the class of "61". Then I knew it was no use, I just couldn't get away from them. Anyway, I got on and took a seat in the corner where nobody would notice me. While I was sitting there, I noticed somebody trying to get my attention. I asked her if I could help her and she said that if she could have a few sheets of paper, everything would be just fine. I gave her six sheets. She went back to her seat and began making airplanes. Pretty soon someone asked her if she was crazy or something and she said, "No, I'm just outta my mind."

I was still watching what was going on when I felt something hit me. I looked around to see what was going on. Then I saw a bad little boy named Kim. He looked at me and said "I'm sorry, it was just an accident."

I said, "Oh, that's okay." Then I saw old Woody looking at Kim with a big fat grin that spread from ear to ear clear across his face. I figured out what was going on so I moved up several seats. I saw that the girl sitting across from me just kept looking for me, but I pretended not to notice her and turned my attention to some boys a couple of seats in front of me. There were five or six of them huddled around a small map. They were looking for the Garden of Eden. One of the boys said he was gonna get rich and build a big town and call it Fredricksburg. Ouch! Somebody just pulled my pony tail. Then sweet innocent Mickie went by, staying as close to the wall as she could. I gave her a big old grin and she gave me back one twice as big. While I watched her walk on down the aisle two characters walked up to where I was seated and one of 'em said, "Hey, what is this?"

Then I knew who they were. It was the L and M kids.

The other one of them looked at me and said, "Well Drerup Kid--you I sick Kinsey's Raiders on you." I didn't want her to do that so I got up and looked for a place to move. There wasn't any place except the seat right across from me so I sat there. I started to tell the girl that I was sorry to bother her--when all of the sudden I noticed her hair. It looked like it was gray, purple, blond, red, and black. I was so shocked, I didn't know what to say. I mumbled, I thought I needed a drink and got up and headed up to the drinking fountain. "Well, Hi there!" I heard someone say. Then I noticed a little girl who I hadn't seen for quite a while.

I stopped and said, "Hi!"

She grinned and said, "You don't have your working shirt." and I winked and said, "No, I don't need that no more." and she said "Good."

When I finally got to the drinking fountain I saw good old buddy-buddy Karen there.

She asked, "Are you training for the big big fight?"

I thought a second then I knew what she meant. So I said, "Naw, Sharon and I ain't got no fight left in us."

She looked at me and said, "That's good." After she was gone and I was getting a drink somebody came up behind me and said, "Excuse me, but you are standing right in front of the drinking fountain." It was Alice.

I smiled, said I was sorry, and went back to my seat. Then I sat down, looked out the window and started thinking about everything that had happened since I had come to know this gang. I thought about Helen, Barb, Judy, Mary, Joan, Sandy, Hot-rod Linda, Shirley, Mimi, and all the rest of them. While I was thinking, the train came to a stop and it was time for me to get off. I got off and stood out of the way and watched all of the kids get off and go away. Then I got back on the train for the long ride until, I too, would get off never to come back.

# QUEEN IS CROWNED FOR HOMECOMING

**Ann Pasmann Won This Year  
in Vote of Senior Boys of  
Auburn High School—Band  
Plays "A Pretty Girl"**

Senior Ann Pasmann was voted the annual Homecoming Queen by the senior boys of Auburn high school and was crowned in impressive ceremonies between halves of the football game at Earl Carr Memorial field Friday evening. She was crowned by last year's Homecoming queen, Miss Bonnie Muhn.

The candidates, three senior girls and one from each of the three underclasses, were all given male escorts and dressed in formals, rode atop convertible automobiles which were driven around the track and to the beautifully decorated float at the west end of the field.

One unidentified candidate, a red-headed damsel riding on the rear of an old battered Model A pickup truck and later identified as Mark Shaw, tried to crash the parade but was ruled out of the contest.

In the lead automobile was former queen Bonnie Muhn, followed by freshman Dian Heffley, escorted by Doug Scott. In order followed sophomore representative Kathy Miller with Barry Stroh as escort; Junior Sue Martin with escort Mike DePew; senior Connie McCann with Kim Webb as escort; senior Ann Pasmann with escort Jim Grosh and senior Kay Miller with Jim Mason as escort.

Phil Howard, a member of the faculty, announced the winner over the public address system and the high school band immediately spelled out her name, forming a giant Ann and played as her salute "A Pretty Girl." Ann is one of the featured twirlers in the band.

After the crowning ceremonies at the float, the queen's court was formed by the other contestants and the float was paraded in front of the home bleachers as the band played "Shine on Harvest Moon."

The band performed some intricate marching patterns prior to the crowning, the group being divided into two separate units, intermarching and then forming one large unit.

## AUBURN STUDENTS PLAN PEP SESSION

**Parade, Snake Dance, Bonfire,  
Yells and Short Talks Plan-  
ned on Eve of Football  
Game with Garrett**

All students, teachers and interested residents of Auburn are urged to attend a big pep session which will be held at the show ring at the fairgrounds off South Union street in Auburn on Monday evening, Oct. 24.

The pep session will be held before the annual football game between Auburn high school and Garrett high school on Tuesday evening, Oct. 25, at the Garrett football field.

A "snake dance" is scheduled to start at 7 p.m. on Monday evening at the city hall in Auburn and at the head of the procession members of the Auburn team will ride on the Auburn fire truck.

The procession will proceed down South Cedar street to Fifteenth street, turn left on Fifteenth to the show ring.

Some of the highlights of the pep session will be a large bonfire, short talks by members of the Auburn team and Charles Johnson, coach. Officials of the Auburn high school Lettermen's club will lead in some cheers during the pep session.

## LAST WEEK OF SCHOOL FOR THE GRADUATES IN AUBURN

Auburn high school's senior class members will start their last week of school classes on Monday, Ross Tipton, superintendent of schools, reported Saturday.

The seniors will go to their classes at the high school for the last time on Friday, May 27 while the remainder of Auburn's students will continue for another week.

The students in grades one through eight will attend classes through Wednesday, June 1, and on Thursday the teachers will make out their records. Freshmen, sophomores and juniors will attend school classes on Thursday.

All of the public school students will then return to their home rooms at 2:30 p.m. Friday, June 3, to receive their grade cards.

The students in the five grades at the Immaculate Conception elementary school will have their last classes of the year on Thursday, June 2, and will then receive their grade cards as school is dismissed that afternoon.

The Catholic school children will hold picnics by classes on Wednesday, June 1.

The annual Auburn high school Junior-Senior banquet will be held at Cutter's Chalet in Fort Wayne on Saturday, May 28. Baccalaureate services for the graduating class will be held at the Junior high school auditorium on Sunday, May 29, and the commencement exercises for the seniors will be held Wednesday, June 1, at the Junior high school auditorium.

All members of Purdue University, its friends and supporters, join together in extending a cordial welcome to our visitors from the University of California at Los Angeles. Today's game in Ross-Ade Stadium, the third in an intersectional rivalry which we hope will be continued in future years, opens the Purdue football season with a highly respected and outstanding team from the Pacific Coast.

Adding to the color and entertainment of the afternoon will be the appearance of thousands of high school musicians in a massed band presentation at half-time. These young band members, together with their classmates from hundreds of our Hoosier high schools, are our special guests today. During the next several years many of them will come to Purdue University for their collegiate training. Most of them will plan to attend other colleges of their choice in Indiana and elsewhere. Whatever choice of college they make, we advise them to work and plan, with the help of their high school counselors and teachers, to prepare themselves to meet the increasingly rigorous demands of academic competition not only for admission to college, but also in the college classroom.

## *Guy Mackey*

ATHLETIC DIRECTOR  
PURDUE UNIVERSITY

Guy J. (Red) Mackey, Purdue's veteran athletic director who launched his thirty-second year as a member of the Boilermaker staff this fall, is recognized as one of the most progressive leaders in the collegiate field. He has virtually grown up with the continually expanding, comprehensive Purdue program of intercollegiate and intramural sports and is thoroughly familiar with coaching problems as well as administrative details.

Under Mackey's energetic direction, the Boilermaker physical plant has been developed into one of the most modern, unified setups in the country, including the fieldhouse and gymnasium, enlarged stadium, new recreational gymnasium, separate track and baseball fields, two 18-hole golf courses, and convenient recreational and practice areas for a wide variety of both outdoor and indoor sports.

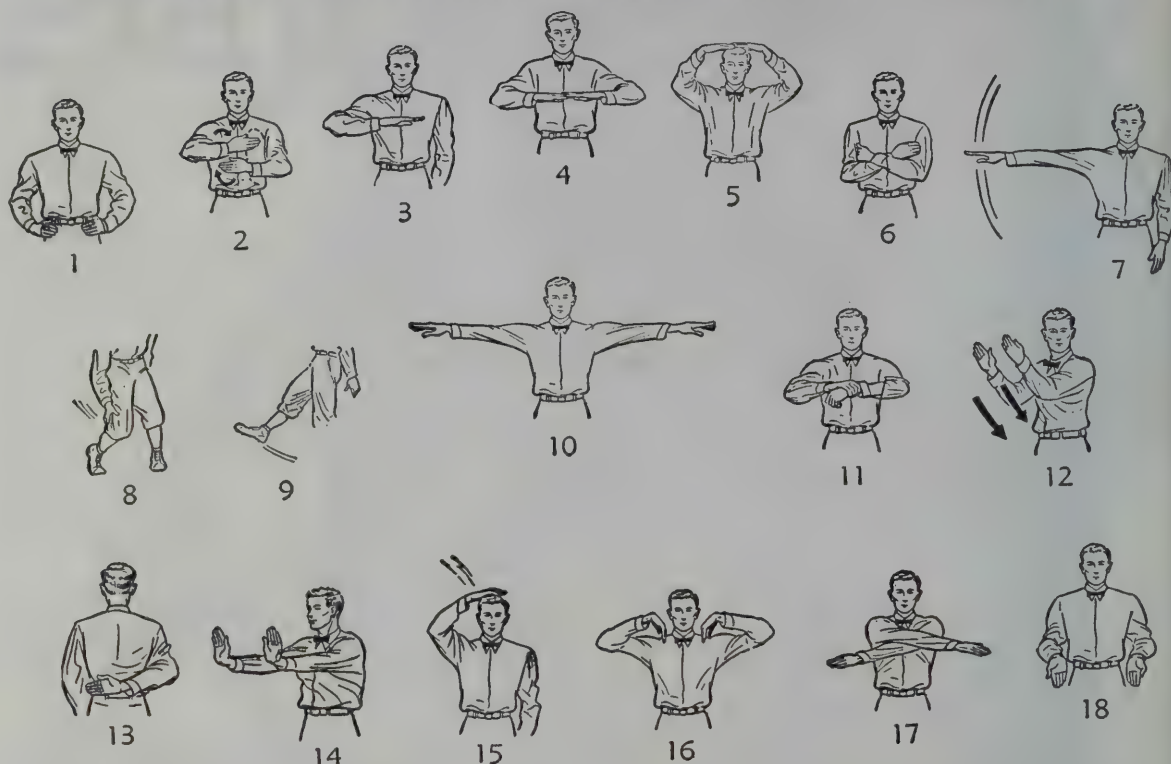

A 1929 graduate of the Purdue School of

Agriculture, Mackey is a native of New Albany, Ind. He won three major letters in football during his undergraduate days as an outstanding end on the Boilermaker gridiron combinations of 1926, 1927, and 1928.

Following his graduation, Mackey first joined the Purdue staff as an assistant freshman coach in the fall of 1929. Three years later he was promoted to the varsity staff as assistant coach and early in 1941 was given the added duties of administrative assistant to the Director. His advancement to the directorship followed early in 1942.

In recognition of his successes, he was signally honored in 1944 when he was awarded the Leather Medal presented annually to the Purdue staff member adjudged to have made "the greatest contribution to the welfare, success, and reputation of the University."

## Jack Mollenkopf

HEAD FOOTBALL COACH  
PURDUE UNIVERSITY

In four productive years as Purdue's head football coach, Jack Mollenkopf has developed teams that have been consistent placers well up in the first division in the Big Ten standing and have earned national recognition in playing exceptionally rugged schedules.

Last fall's balanced combination, despite a series of injuries to key men, wound up with an overall record of five wins, two ties, and only two losses, and shared third place in the hectic Big Ten race with a 4-2-1 mark.

Under Mollenkopf's direction, the Boilermakers, who are known for their sound, fundamental defensive play and versatile offensive tactics, have lost only three games in their last 20 starts.

Mollenkopf's successes at Purdue, where he has compiled a 19-11-6 record in the past four years against some of the country's toughest opposition, have occasioned no surprise from close followers of his extended gridiron career.

The Boilermaker head man, who came to Purdue in the spring of 1947 as an assistant and started his fourteenth year on the gridiron staff this year, was named as head coach in December, 1955.

His elevation to the top spot on the Purdue gridiron staff marked the third time in a coaching career that has covered more than a quarter of a century that he had started out as an assistant and wound up as the head man.

A 1931 graduate of Bowling Green (Ohio) University, where he won letters on the football squad as an end and on the baseball team as a catcher, he started his coaching career as an assistant at Rossford, Ohio, high school. Pro-

moted to head coach at Rossford, he developed outstanding teams that led to his appointment as an assistant coach at Waite high school, Toledo, Ohio, in the fall of 1935.

After one year as assistant coach at Waite, he was named head coach in 1936 and during an eleven-year tenure in which his schedules had an intersectional flavor compiled a record that won national recognition. In six out of his eleven years at Waite, his teams won the city championship, while three times they were recognized as the mythical state champions.

While at Waite, he was instrumental in the reorganization of the Ohio High School Football Coaches' Association and served as its president for two successive years, 1944-45 and 1945-46. He also was responsible for organizing the first Ohio high school coaching school and promoting the first Ohio All-Star high school football game back in 1946. Both the coaching school and All-Star game are now annual Buckeye fixtures.

In his thirteen years on the Purdue staff, Mollenkopf has developed some particularly rugged forward walls which have been the big factors in giving the Boilermakers exceptional defensive records. During the period, four Boilermaker linemen have won All-American honors, including Gene Selawski, tackle; Tom Bettis, guard, and Leo Sugar and Bernie Flowers, ends.

Mollenkopf is the fifth Boilermaker assistant to be promoted to head coach since the days of Jim Phelan. Other Purdue assistants who stepped up to the head coaching job, with their years of service, were Noble Kizer (1930-36), Mal Elward (1937-1941), Elmer Burnham (1942-1943), and Cecil Isbell (1944-1946).

Most American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California, Los Angeles (UCLA for short), is only 41 years old. Its 411-acre campus, set against the Santa Monica Mountains with the blue Pacific nearby, is even newer.

UCLA was founded in 1919 as the "Southern Branch" of the University of California and officially re-named in 1927. Originally it occupied a

There are now 68 instructional departments, 13 schools and colleges, the Graduate Division, and several other divisions of instruction and research.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a \$120,000,000 building program has been underway, the largest in the nation. The number of buildings has more than doubled since the end of the war and a campus to accommodate 27,500 students by 1967 is being planned.

Despite high entrance requirements (which only about 15 per cent of high school graduates can meet), its enrollment has mushroomed to 17,300 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the seven campuses of the state university, which is headed by President Clark Kerr.

Dr. Franklin David Murphy, 44, is Chancellor at UCLA. He heads a teaching staff of 2,746 and a full-time non-teaching staff of 3,700.

tain 1,400,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same material and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single facet about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

## *Bill Barnes*

HEAD FOOTBALL COACH

U.C.L.A.

Bill Barnes is in his second campaign as the UCLA head coach. However, it is his 16th year in the coaching profession, one as a freshman assistant at Tennessee, his alma mater, in 1940; four as end coach and scout at Arkansas from 1946 through '49; eight as a top assistant under the late Red Sanders at UCLA from 1950 through '57; one as first the senior aide and then the acting head coach at UCLA in 1958; and then one as the Bruin headman last year.

In his opening year at the helm he demonstrated that he has all the football and personal qualifications to be one of America's outstanding collegiate gridiron coaches. His 1959 Bruins not only posted a 5-4-1 winning record in playing the toughest schedule in UCLA history but also tied for the AAWU crown with a 3-1 mark. And by defeating USC, California and Stanford, his Bruins became only the fifth UCLA football team in history to sweep all three games with their natural State rivals in the same year.

He was honored nationally last season when the UPI named him "Coach-of-the-Week" following the Bruins' sensational 10-3 upset victory over previously

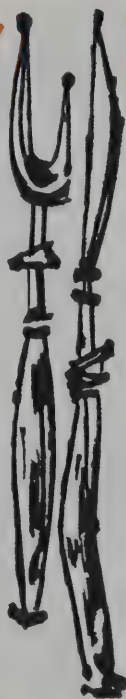

undefeated USC. He also served with distinction as a member of the winning West coaching staff in the East-West game in San Francisco and has already been named head coach of the West in this coming post-season classic.

Barnes, who came to UCLA in 1950 as end coach and head scout, took over for the ailing George Dickerson after the third game of the 1958 Bruin season and carried on to compile a 2-4-1 record as "acting head coach." Then, in December, 1958, he was officially signed as UCLA's ninth head football coach in history.

Although born in Missouri, he lived most of his life in Tennessee and prepped at Memphis Central High where he was picked on the 1935 All-Southern high school all-star team. He graduated from University of Tennessee in 1941 with a degree of Bachelor of Science in Education.

He served in the Army (1942-46), and was discharged with the rank of Major. While in the service he was awarded the Legion of Merit, Silver Star and Bronze Star.

# ROSS ADE STADIUM

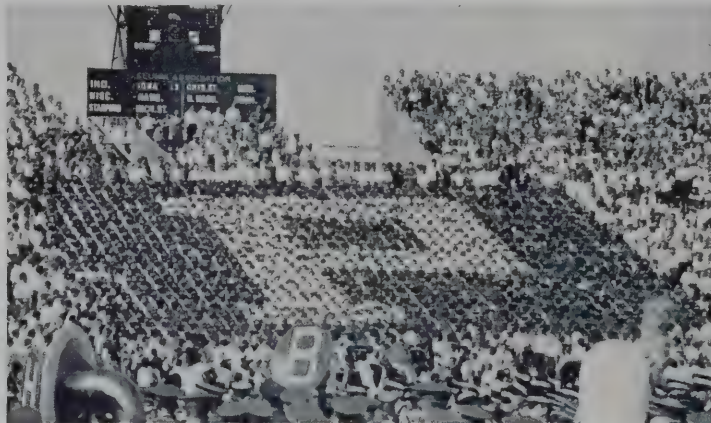

Purdue University

Saturday Afternoon

Hi,

I'm Card Section Charlie, mascot of the freshman card section.

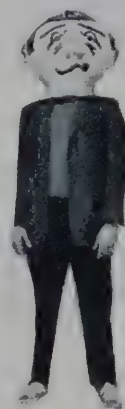

Hours of preparation by the senior board, junior officers, and sophomore workers make the card section a colorful spectacle at Purdue home football games. The card section completed its seventh successful season last year.

The freshman card section is "gung ho" to perform stunts adding to the excitement and color of football games. From the unfurling of the flag to the black and gold "P", all the freshmen in their green pots and white capes respond to the commands—"ready . . . down . . . ready flash."

Hope you enjoy watching the great Boilermakers play and the stunts being performed by the card section in the center of the north stadium curve.

Sincerely yours,

Card Section Charlie

# BRAINS + BRAWN = FOOTBALL STARDOM

The largest picture on the walls of the Big Ten offices in Chicago is a montage of the first Big Ten all-scholastic team. Members of the team, picked each year since 1953 by a national encyclopedia, must have been carrying at least a "B" average in their college work as well as distinguished for their play on the gridiron.

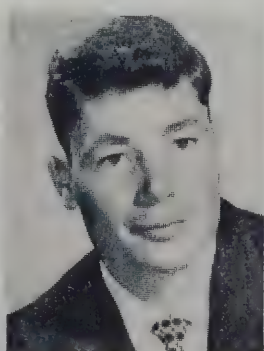

"We like the picture as a reminder to ourselves and our visitors that football is a game of brains as much as brawn, and that academic progress is the first responsibility of any college athlete," says K. L. "Tug" Wilson, the Conference Commissioner.

In the seven years the team has been picked, no less than seven of the selections have also earned all-America honors for their playing ability. And of the 77 selections, 47 were of all-Conference caliber.

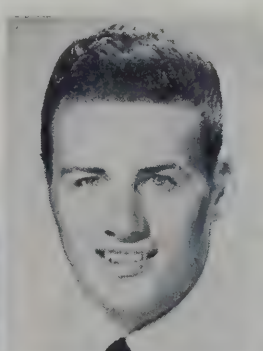

Pictured below are Purdue players named on the all-Conference all-scholastic teams since 1953:

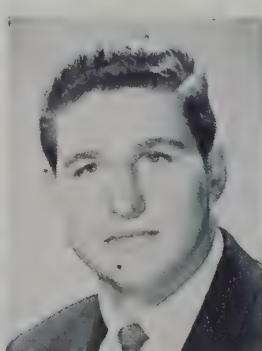

**FRONCIE GUTMAN**  
1953-54

**JIM WHITMER**  
1955

**LEN DAWSON**  
1956

**GENE SELAWSKI**  
1958

**LEONARD JARDINE**  
1959

Boilermaker nominees for the all-scholastic team this fall include the veteran tackles, Dale Rems, who missed by only 44/100 of a point being rated a "Distinguished Student" for last semester, and Co-captain Jerry Beabout.

# BLOW YOUR OWN WHISTLE

*(A true or false quiz on the football rules for grandstand Referees.  
Team A is the team which put the ball in play. Answers on Page 51.)*

1. Team A's 4th down "line drive" punt from its own 20-yard line strikes Team B player on A's 30-yard line, then bounces back across the neutral zone to A's 5-yard line, where Team A player falls on it. Ruling: Team A's ball, 1st and 10 at spot of recovery.

2. A's pass from his end zone is partially blocked by a Team B player, then is caught simultaneously in the end zone by A's guard and B's linebacker. Ruling: Touchdown for B.

3. On a forward pass play, Team A's end gets behind B's defensive halfback who turns and runs along side but without touching the A player, waving his hands so that A cannot see the pass and A misses the catch. Ruling: Pass interference by B.

4. On a kick-off B-1 "clips" A-1 while the ball is in the air. The untouched ball then goes out-of-bounds on B's 10 yard line. Ruling: Offsetting fouls—kick off again from previous spot.

5. Team A's ball, 3rd down, on Team B's 1-yard line. On a forward pass play that develops B-1 is called for "interference" in Team B's end zone. Team A elects the penalty. Ruling: A's ball, first down, goal to go, on Team B's  $\frac{1}{2}$ -yard line.

6. Team A's punt, after striking the ground, is touched by Team A player at B's 5 and then rolls to the 1. Team B player picks up the ball and runs to his 12, where he is tackled. Ruling: B's ball, 1st and 10 at the 12.

7. A-1 fumbles the snap in his own end zone. B-1, in attempting to recover, dives at the ball in the end zone and this contact forces the ball out-of-bounds behind Team A's goal line. Ruling: Safety.

8. On a successful try by Team A, Team B is called "Offside." Ruling: Team A may decline the score and repeat the try.

9. Team B is offside at the snap but Runner A-1 goes 50 yards on the play, is downed, and then called "crawling." Ruling: Fouls offset—replay the down.

10. A down is played with Team A having 12 plays on the field and Team B having only 10. Ruling: Fouls by both teams.

11. Between scrimmage downs, previously unrecognized A-12 enters as a "wild-card" player after the Referee has declared the ball ready-for-play and during the 25 second count. Ruling: Illegal delay by A-12.

12. Before a legal forward pass is thrown, guard A-5 remains on his scrimmage line for two counts after the snap and then charges across the neutral zone and blocks linebacker B-1 who is one yard behind Team B's scrimmage line. Ruling: Pass interference by A-5.

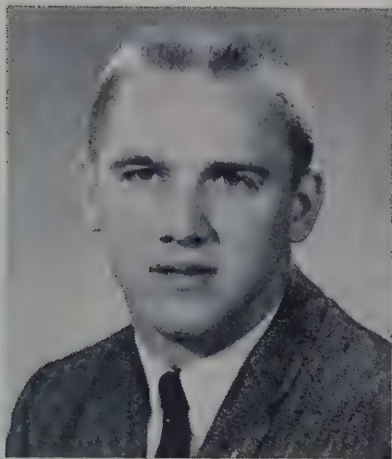

13. On a "quick" line-up play Team A snaps the ball before the Referee can declare it ready-for-play; Runner fumbles and Team B recovers. Ruling: Team A may elect to take ball at spot of recovery.

14. The ball is ready-for-play when B-1 breaks into the neutral zone (no contact) but has returned to the side of the scrimmage line when A-5 charges across the neutral zone and contacts him. Ruling: Scrimmage infraction by A-5.

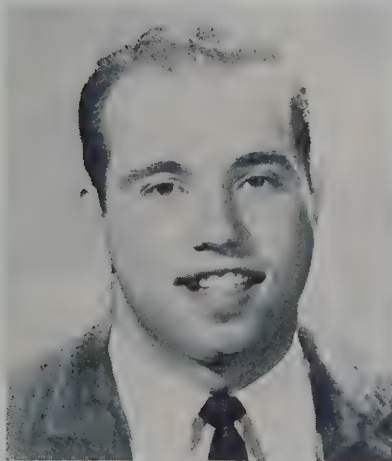

15. B-1 intercepts Team A's forward pass in his own end zone and attempts to run it out. He fumbles and is tackled and the ball is recovered by B-2 in the Team B end zone. Ruling: Safety. Award Team A 2 points.

16. B-5 breaks into the neutral zone prior to the snap but makes no contact with an opponent until a delay of game charge by A-6 contacts B-5 while B-5 is still in the neutral zone. Ruling: Offsetting fouls.

### HAIL PURDUE

To your call once more we rally;

Alma Mater, hear our praise!

Where the Wabash spreads its valley

Filled with joy our voices raise;

From the sky in swelling echoes,

Come the cheers that tell the tale

Of vic'tries and your heroes,

Hail Purdue! We sing. All Hail

### CHORUS

Hail, Hail to Old Purdue

All Hail to our Old Gold and Black;

Hail, Hail to Old Purdue

Our friendship may she never lack;

Ever grateful, ever true,

Thus we raise our song anew.

Of the days we've spent with you;

All Hail, our own Purdue.

### THE PURDUE HYMN

Close by the Wabash, in famed

## PURDUE FACTS AND FEATURES

- Purdue is the Indiana link in a nationwide chain of 68 land-grant colleges and universities which are supported largely by state and federal funds.
- Purdue ranks among the top 15 universities in the United States according to full-time enrollment statistics.
- All three branches of the armed forces—army, navy, and air force—maintain Reserve Officer Training Corps units on the campus.
- The Edward C. Elliott Hall of Music, cultural center of the University, is not only one of the largest theaters in the world (seating 6,107 spectators) but also one of the most beautiful.
- Coeducational since its second year of operation, the University now enrolls more than 2,500 women students at the Lafayette campus.
- Instruction is organized through the schools of Engineering; Agriculture; Science, Education, and Humanities; Pharmacy, Home Economics; Veterinary Science and Medicine; Industrial Management; and through the Graduate School.
- Experimental work and research are carried on at the 25 main University farms, totaling more than 9,000 acres.
- Purdue meets Big Ten and other football rivals in the 50,362-seat Ross-Ade Stadium and basketball opponents in the Feldhouse which accommodates 9,600 spectators.
- The University conducts instruction and research in 70 principal buildings on the Lafayette campus of some 365 acres. The value of the physical plant is estimated at over \$110 million.
- Purdue awarded more bachelor's degrees in engineering in 1958-59 than any other U. S. university. The University granted a total of 1,099 of the 33,695 engineering B.S. degrees conferred by 154 institutions.
- More than \$6½ million is spent annually at Purdue on organized research supported by funds from government agencies, industrial corporations, private foundations, and the Purdue Research Foundation.
- In addition to campus enrollment, approximately 4,000 students attend University centers in Hammond, Indianapolis, Fort Wayne and Michigan City.
- Nearly 63,000 degrees have been granted by Purdue since its founding in 1874.

The big difference is **FILTER-BLEND**

...and only Winston has it!

R. J. REYNOLDS TOBACCO CO., WINSTON-SALEM, N. C.

A lot is being said these days about flavor in filter cigarettes. But remember Winston was the one that put flavor into filter smoking by developing exclusive **FILTER-BLEND**—rich, golden tobaccos not only *specially selected*, but also *specially processed* for filter smoking.

So try Winston! It's America's best-selling filter cigarette, because it's America's *best-tasting* filter cigarette.

Also available  
in crush-proof box.

**Winston tastes good**—like a cigarette should

## "SCHOOL SONG"

We're loyal to you Auburn High  
 We're Crimson and Black Auburn High  
 We'll back you to stand against the  
 best in the land  
 For we know you will stand Auburn High,  
 Rahl Rahl

So crack out that ball, Auburn High  
 We're backing you all Auburn High

Our team is our fame protector

On boys, for we expect a victory  
 from you Auburn High.

Chee-Cha-Tra-La-La!—Da-Da—Da-Da  
 Chee-Cha-Tra-La-La!—Da-Da—Da-Da  
 Auburn High! Auburn High! Auburn High!

Fling out that dear old flag of Crimson  
 and Black

We're here beside our heroes right on  
 the track

Like men of old on giants, placing reliance,  
 shouting defiance,  
 Os-Kee Wow-Wow!

We are a true and much devoted band  
 And none against our gallant team will stand  
 Come on you Devils, fight with all your might  
 You can't be beaten 'cause you're all right.  
 ... FIGHT!
